SCD Probiotics Mother Culture™ Species

Harnessing nature's ability to restore personal health & the environment™

SCD Probiotics Food™	ProBio Balance™ Original	ProBio Balance™ Plus
Bacillus subtilis	*Bacillus subtilis*	*Bacillus subtilis*
Bifidobacterium animalis	*Bifidobacterium animalis*	*Bifidobacterium animalis*
Bifidobacterium bifidum	*Bifidobacterium bifidum*	*Bifidobacterium bifidum*
Bifidobacterium longum	*Bifidobacterium longum*	*Bifidobacterium longum*
Lactobacillus acidophilus	*Lactobacillus acidophilus*	*Lactobacillus acidophilus*
Lactobacillus casei	*Lactobacillus casei*	*Lactobacillus casei*
Lactobacillus delbrueckii (Synonym: *Lactobacillus bulgaricus*)	*Lactobacillus delbrueckii* (Synonym: *Lactobacillus bulgaricus*)	*Lactobacillus delbrueckii* (Synonym: *Lactobacillus bulgaricus*)
Lactobacillus fermentum	*Lactobacillus fermentum*	*Lactobacillus fermentum*
Lactobacillus plantarum	*Lactobacillus plantarum*	*Lactobacillus plantarum*
Lactococcus lactis (Synonym: *Streptococcus lactis*)*	*Lactococcus lactis* (Synonym: *Streptococcus lactis*)*	*Lactococcus lactis* (Synonym: *Streptococcus lactis*)*
Saccharomyces cerevisiae	*Rhodopseudomonas palustris*	*Rhodopseudomonas palustris*
*Streptococcus thermophilus**	*Saccharomyces cerevisiae*	*Rhodopseudomonas sphaeroides* (Synonym: *Rhodobacter sphaeroides*)
	*Streptococcus thermophilus**	*Saccharomyces cerevisiae*
		*Streptococcus thermophilus**

* *Streptococcus* spp. are catalogued as *Enterococcus* spp. on the list of organisms approved by the Association of American Feed Control Officials (AAFCO).
