To Whom It May Concern,

Vermont Organic Farmers, LLC has reviewed the product "EFFICIENT MICROBES" produced by Sustainable Community Development, LLC and found it to be in compliance with the USDA National Organic Program for use in organic livestock and crop production.

This is not an endorsement of the product and Vermont Organic Farmers' name should not be used in any advertising or promotional materials for this product. Feel free to contact the office at (802) 434-4122 if you have any questions.

Sincerely,

Nicole Dehne
