REGISTRATION OF MATERIALS FOR ORGANIC PRODUCTION

August 24, 2016

Company Number: #695

Janel Voth
SCD Probiotics
1710 Walnut Street
Kansas City, Missouri 64108

Dear Janel Voth:

RE: Annual Registration Renewal – No Response Required

Thank you, the WSDA Organic Program has received your request to renew your registration of products for use in organic production. The following product was included in your renewal application:

- **SCD Bio Ag – WSDA #2368**

We have determined your product continues to comply with Chapter 16-160 WAC and National Organic Standards; no additional information is needed at this time. The enclosed registration certificate is valid through October 31, 2017 and may be used to demonstrate the approval status of your product.

Your product will also be included on the WSDA Brand Name Material List, which is published in an electronic form on a monthly basis. The regularly updated Brand Name Material List can be accessed online at <http://agr.wa.gov/FoodAnimal/Organic/MaterialsLists.aspx>.

REMINDERS:

Note the following important items regarding registration of materials for organic production.

- Product registration must be renewed on an annual basis. You will be sent a renewal registration packet with instructions on renewing your registration.
- Any changes to labels, formulations, ingredient suppliers, or manufacturing facility and manufacturing process, must be reported to our office and approved prior to implementation.
- Inspections of the manufacturing facility or samples of your products may be taken throughout the year. These inspections may be scheduled inspections or unannounced inspections.

We look forward to working with you in the coming year and appreciate your commitment to organic agriculture. If you have any questions, or need any assistance regarding the registration of input materials for organic production, please feel free to contact our office at the number and email below.
